

Adding a Guest: BEFORE your Virtual Visit

Use the following steps to invite a guest before your Virtual Visit has started:

1. Locate your Virtual Visit confirmation email and click **Invite a Guest** to be taken to the Guest Management page.
2. Enter the guest's **first name, last name** and **email address**, then click **Submit**. We will send an invite to the email address provided, so it's important to make sure this is accurate.
3. Once the **guest** receives the email invite, they will click **Join Visit** and be prompted to enter their **first name, last name** and **email address** and then click **Request Access**.
4. In the visit, you will be prompted to confirm the **guest's** access to join.
5. Your guest will then be able to join you and your provider in the Virtual Visit.

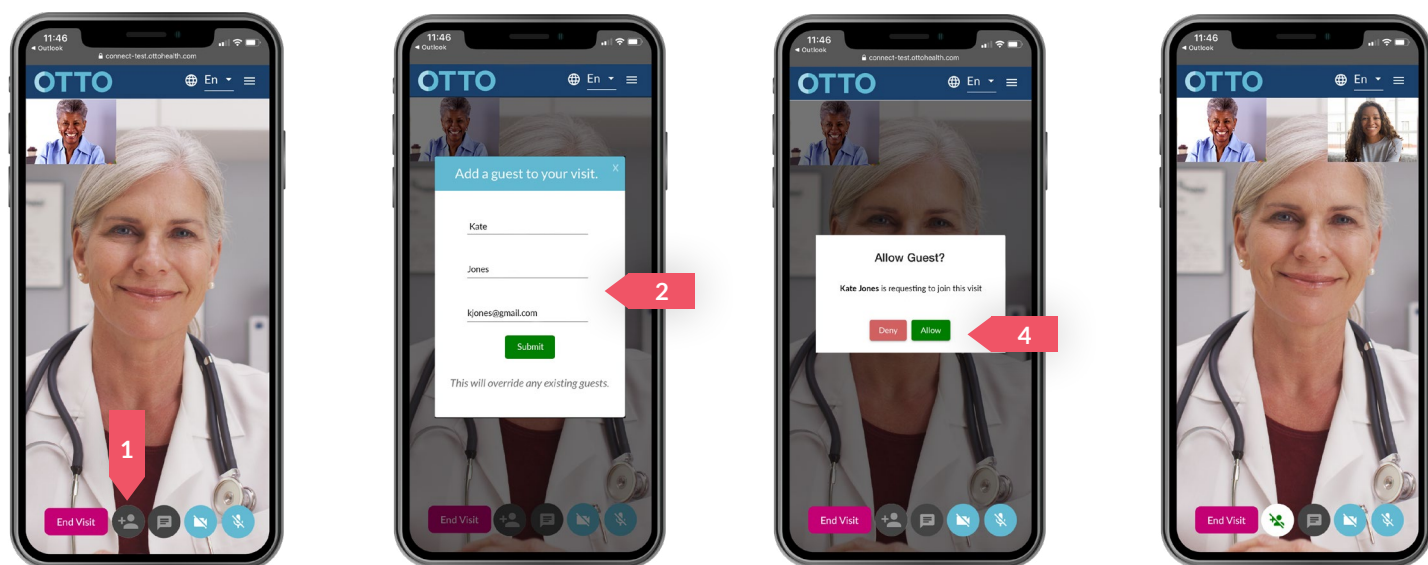

If your guest needs help, here are some resources to help with their visit:

- Test My Device: connect.ottohealth.com/video/test
- Technical Support page: ottohealth.com/techsupport
